Josh & Rebel

The Horse

Name: Rebel
Age: 18 years
Breed: Saddlebred
Gender: Mare
Height: 15.3 hh
Color: Chestnut

Rebel is one of 37 Saddlebreds that came to us from a law enforcement neglect seizure in Yamhill County. After being fully rehabilitated, it is now time to watch her blossom in training! We are giving her trainer time to get to know her so that we can post an accurate training update by August 1st. Stay Tuned!

The Trainer

Josh grew up on a family farm that bred Arabians. He was always drawn more towards training and helping out troubled horses rather than breeding. So when he graduated high school he immediately moved to Montana to work with a trainer. The beginning of his career was focused mostly on training Arabian horses. He has since branched out and has worked with pretty much any breed and in every discipline. Josh blends a mix of training techniques, but his program is rooted in natural horsemanship. He currently runs his own training program, Shambaugh Equine, out of Triscoli Farms.
