

TEAMS

Brianna, Taylor & Water Colors

The Horse

Name: Water Colors

Age: 12 years

Breed: Saddlebred

Gender: Mare

Height: 16hh

Color: Bay/Pinto

Water Colors is currently w/t/c under saddle and is being ridden out on trails. She rides front or back of the string and goes out solo as well. Water Colors is a sweetheart of a mare and enjoys attention. Because she is green broke, she will need an intermediate rider/handler. With more miles and time under saddle, she has the potential to pack around less experienced riders. Water Colors also rides well in the arena. She has tons of potential to go in many directions, but really excels as a solid and sane trail mount.

The Trainer

Taylor Thomas is 13 years old and has grown up in the barn. She began showing at the age of 4 in lead line classes at Pinto and Buckskin shows and started showing at breed shows on her own at 5 years. Taylor has also been helping her mom with ponies in training for years. She has shown in multiple disciplines at many different association and local shows over the years. Taylor believes that spending lots of time with her horses can really help them become quiet, confident, and loving partners.
