

## TEAMS Kim & Heavenly Magic

### The Horse

Name: Heavenly Magic

Age: 12 years

Breed: Saddlebred

Gender: Mare

Height: 15.2 hh

Color: Chestnut

Heavenly Magic is a 12 year old chestnut Saddlebred mare. She is currently solid at a w/t under saddle and working on her canter. She is a steady mare that takes things in stride. She's a rockstar on the trail and crosses water and obstacles well. Magic currently needs an intermediate rider because she is green broke. However, she has a sweet and quiet nature and would make a great kids or beginner horse with more miles on her.

### The Trainer

Kim has been passionate about horses for as long as she can remember. She finally got the opportunity to take her first riding lessons at the age of 14, and has enjoyed learning and growing in knowledge and horsemanship skills since then. Kim was a horse trainer for 10 years, until her daughter was born and she chose a more stable and safe job. She's very excited about this opportunity and looks forward to all the experiences that will come with it!
