Sain Equine & Juliet

The Horse

Name: Juliet
Age: 6 years
Breed: Quarter Horse Cross
Gender: Mare
Height: 15hh
Color: Bay/White

Juliet is guesstimated to be a 7 year old Arab/stock cross mare. Trainers Courtney and Hailey have done a fantastic job gentling her down and getting her to come to work and enjoy the process. She is not started under saddle as of yet, but has potential to go in many directions. She's athletic and fancy to boot! Juliet has been conquering outdoor obstacles like a champ and will most likely turn out to be a great trail horse as well!

The Trainers

Courtney and Hailey are the training duo behind Sain Equine. From basic colt starts to champion reining barns – their combined equestrian background is extensive and a lifelong love. Their training program focuses on building a strong, well rounded foundation for horses of any breed or discipline. They understand each horse is an individual and tailor their training program to fit the horse they're working with.
